Checkpoint 5 Sprint 4 26-05-2021

Petrov, Aleks A.P. 23 days ago

I've had a discussion with my teacher Mr.Rafayel. What we talked about was the sprint 4 feedback. What it need to be done for the next sprints is to include the Authentication and Authorization in the front end.Also i need to have frequent commits in gitlab.Overall a great and useful conversation with Mr.Rafayel!

Checkpoint 4 Sprint 3 delivery 19-04-2021

Petrov, Aleks A.P. 2 months ago

I've had a discussion with my teacher Mr.Kiavash. What we talked about was the sprint 3 feedback. What it needs to be done is the design of home page and also the crud functionality in my frontend.Also i need to have my product backlog done.Overall a great and useful conversation with Mr.Kiavash!

Checkpoint 3 Sprint 2 31-03-2021

Petrov, Aleks A.P. 3 months ago

I've had a discussion with my teacher Mr.Rafayel. What we talked about was the sprint 2 feedback. What it need to be done for the next sprints is to include the UML Diagram.Overall a great and useful conversation with Mr.Rafayel!

Checkpoint 2 Sprint 1 10-03-2021

Petrov, Aleks A.P. 3 months ago

I've had a discussion with my teacher Mr.Kiavash. What we talked about was the sprint 1 feedback. What it need to be done for the next sprints is to update my sprint table every sprint. Also for the user stories i have to make sure that every user story is correct and also add more to the project.Lastly i need to setup my yaml file for the project. Overall a great and useful conversation with Mr.Kiavash!

Checkpoint 1 Individual Project Documentation 03-03-2021**Petrov, Aleks A.P.** 3 months ago

I've had a discussion with my teacher Mr.Kiavash. What we talked about was the sprint 1 deliverables. Everything was clear to me. The discussion went very well.
